UNITED CHURCH DINNER SET FOR JANUARY 25TH

The Congregational dinner meeting of the United Church will NOT be held on January 28, as earlier announced but on January 25th.

The suspicion that the dinner this year may be a culinary contretemps is wetting the appetites of those planning to attend. On similar occasions the so-called "Potluck" meal has actually been a planned menu with members asked to bring a certain dish. No such arranging has been done this year—hence the amused speculation on the possibility of an all-meat - all salad or even all-dessert meal!
