WELLINGS WINS ZONE CURLING

On Saturday afternoon, for the 9th consecutive year, a Terrace Bay rink skipped by Peg Wellings captured the Northwestern zone 4 Curling Championships and the right to enter the Northwestern Ontario Championships in Fort Frances on January 30th, 31st, and February 1st.

Competing in the zone playoffs held in Schreiber were the Graham rink from Manitowadge, the Gladys Young rink from Red Rock, Frankie Caccamo of Schreiber and Wellings of Terrace Bay.

In the first games on Friday night, Schreiber defeated Manitowadge in a thriller by a score of 10-9 while Terrace had a comfortable lead defeating Red Rock 11-7. On Saturday morning with the temperatures hovering around the 30° below zero mark and the temperature on the ice being 12° above, Terrace Bay swamped Manitowadge 15-3 in 9 ends while Schreiber once again had a cliff hanger defeating Red Rock 10-9 in the final end.

This set the scene for Saturday afternoon's dividing game between Schreiber and Terrace with both teams having a 2-0 record. A large gallery was on hand for the final encounter, and were treated to one of the most exciting games in many a year.

The Schreiber ladies took an early lead of 4-2 at the end of the 5th, then scored a big 4 on the 6th to give them a comfortable 8-2 lead. It appeared that Schreiber had the game sewn up, but the Wellings squad kept nibbling away at the lead and were 2 down coming home in the 10th. Some spectacular shots in the 10th end by Wellings evened the score and the extra end saw them pick up two, to end the game 10-8.

Congratulations to Peg Wellings, Ann Latour Betty Bouchard and Alycejoy Blom for their spectacular win. Frankie Caccamo's Schreiber rink with Dallas Cobey, Elsie Ross and Joy Riley are also to be congratulated for their excellent play and sportsmanship.

Following play the Schreiber ladies Curling Club entertained the visiting teams with a delicious banquet in their beautiful new club rooms and Nellie Gray presented Peg Wellings with the zone 4 Dow's Trophy emblematic of the zone championship.

The Terrace Bay rink now leaves next Tuesday for Fort Frances to complete in the Northwestern Ontario District playdowns and it is expected that all 8 zones will be represented.

Officials attending the 'spiel were Vera Hall and Maud Anderson, President and Secretary respectively of the N<sup>W</sup> Western Executive, and Ida Romaniuk, Vice President, from Terrace Bay.

Wally Simon was umpire in chief, assisted by Neil Ross, Jack Ridsdale and Ed Cobey, all of Schreiber.
