Mrs. G. Fisher and Mrs. H. Fisher were in Fort William last week to attend the party celebrating their parents', Mr. and Mrs. John Didych, 335 N. Brodie St, 40th wedding anniversary. Many other relatives and friends in the city and district attended the happy occasion.

The U.C.W. will hold their regular meeting on February 6th at 8 P.M. in the Church Hall. Members are asked to answer the roll call with an apron, yard of print, bias tape or thread.

With a compassion and attempt at understanding the girls of the United Church Explorers gave, in effect, their evening meal to Hong Kong refugees on the occasion of their last meeting. They ate a single slice of bread and cheese and drank a mug of cocoa, served by leaders Mrs. R. Gander and Mrs. G. McBride. With the co-operation of their mothers a nominal price for home suppers was set and this the girls donated to the refugee fund. A study of the pitiful conditions in the Hong Kong refugee settlement has deeply impressed the girls, who decided upon the novel gift. To further set the scene, dressed in ill-fitting and shabby clothes, they formed queues and waited for their food tickets.
