MINOR HOCKEY NEWS (by E.Kettle)

The Port Arthur North Star Flyers Midgets invaded the local Arena to play the Terrace Bay Midgets on Saturday night and Sunday afternoon in an exhibition series.

On Saturday night before a large crowd the local boys trounced the visiting Flyers 9-2 in fast clean hockey which kept the crowd on their feet throughout the entire game. In the first period the Bay boys opened the scoring and never looked back with the period ending 5 - 1. They added three goals in the second period and both teams split goals in the last period. Falzetta lead the team with three goals and two assists. Solly had two goals and D.Schock, F.Schock, Stachiw and Turner added singles. Clark scored both goals for the Flyers. In the penalty department the visiting Flyers picked up four minors while the locals picked up two minors.

Referees for this game were Francis Hanna and Dave Desrosiers.

On Sunday, before another large crowd the local boys made it a clean sweep by walloping the visitors 12 - 3. In another fast, clean game the Kolody-coached locals were too much for the visiting Flyers as they outpassed and outskated them.

Frank Schock led in this game with four goals and one assist. Dan Schock, Solly and Stachiw each scored two goals while Cavanaugh and Falzetta added singles and also four assists. Robitaille, Curtchar and Larocque scored for the Flyers. There were nine minor penalties in the game with the Terrace Bay boys picking up five to the Flyer four. Referees were Tom Pollard and Gord Calder.

The Terrace Bay Minor Hockey Association would like to thank the fans for their support at these two games and we do hope to have more games of this caliber in future.
