"THINKING DAY - WHAT ITS ALL ABOUT" (PART 1)

On Thinking Day, Guides and Brownies bring pennies to be put into the World Friendship Fund. It was in 1926, it was suggested that the joint Birthdays of Lord and Lady Baden Powell, founders of Scouts and Guiding, be set aside to hold special ceremonies emphasizing the idea of World Friendship. Birthdays make one think of presents and in 1932 a Belgian Guider suggested we send something besides thoughts to help develop world friendship. This idea spread around the world and thus the World Friendship Fund began.
