## NORTHWESTERN ONTARIO HOCKEY PLAYOFFS

Midget Hockey held the spotlight in the Northwestern Ontario Playoffs here over the weekend--Terrace Bay Midgets emerging Champions over the Port Arthur Midgets with two to one and six to one victories in the total goal, two-game series.

They played the first game Saturday, finishing up Sunday afternoon and were presented the O'Toole Trophy by Forbes Cruickshanks, President of the Minor Hockey League.

Both clubs played a tight, even game in the first contest, neither team flashing the red light in the first period. Frank Schock finally opened the scoring in the early minutes of the second. Stapleton put Port Arthur in the running after five minutes of play in the third only to have Byerly set the Terrace Bay squad up one goal for the series two minutes later.

The second game showed a wider bridge in the scoring department but not in the play, Seaman making the only Port Arthur Counter late in the second period. Bereza in the Port Arthur net was outstanding in the first game but Terrace Bay seemed to get his number in the second and ran up a one, two, three period scoring. Frank Schock, starry centre for the Days and pickup Byerly each accounted for two goals, Dan Schock and Bill Stachiw netting one each. Referees - Calder and Kurylo and Hanna and Calder.

**LINUPS - Terrace Bay -** Crandlemire Goal, Erickson, Williams, Frank and Dan Schock, Falzetta, Stachiw, Solly, Gaulin, Byerly, Monroe, McKay, Hagen, Cavanaugh, McInnes. **Port Arthur -** Bereza Goal, Ochar, Pearce, Lechtala, Litwinchick, Clark, Stapleton, Robitaille, Seaman, Crotcher, Madigan, Ajala, Foresco, Cumming and Guzzik.

Terrace Bay Bantams walked off with the C.W.Cox Trophy, emblematic of Bantam supremacy by winning an impressive total goal, two game series 21 - 5 over the Atikokan contenders. Reeve J.P.Heenan made the presentation.

Expecting stiff opposition from the Eastern area, Terrace Bay, for the first game, had strengthened their squad with allowable pickups and a resulting 14-3 one sided game. Pickups Courtemance, Haflidson and Vaudrin accounted for ten goals and regular Bob Coates made a hat trick with Steve Fedorak and Rennett singling. Wingstrom was high goal man for Atikokan with D.Kopichanski singling.

Terrace Bay iced their regular team for the second game with a final 6 - 2 victory. The change put the Atikokan squad on a fairer basis, giving fans a more interesting game. Bob Coates and Steve Fedorak shared top honors with two goals apiece.

Jim Mikus got the only Terrace goal of the first to even Atikokan's Caulson who flicked a light. Terrace went up two in the second and Bob Mallais sent home (Cont'd Page 12)

## FAMOUS THEATRE GROUP COMING

On April 8th, Terrace Bay will be visited by the internationally famous Manitoba Theatre Centre group, featuring Canada's top stage performers in two outstanding plays.

This is a performance you cannot afford to miss.

These presentations have met with tremendous success in all the larger cities in Canada and it is the first time that entertainment of this high calibre has been offered to smaller centres such as Terrace Bay.

The event is being sponsored by the local Drama Club, with great time, effort and cost involved. Tickets are on sale now and can be ordered from Marvin Steen, Beverly Louk, Cathy Cavanaugh or the Recreation Office. Door to door sales will also be made.

Response to sales, so far, have been very poor. This is almost unbelievable, since performances of this kind are usually seen in large cities only, and at a cost double to that being charged for tickets here.

Two plays are being offered during the evening:

"Shadow of the Glen" by Singe and "Man of Destiny" by Shaw.

Starting time is 8.30 P.M. The programme will last about two hours. This leaves plenty of time to view election results and academy awards on T.V.

The Drama Club is making an effort to bring superior stage entertainment to the people of Terrace Bay. Be sure you take advantage of this opportunity.

## NO ELECTION APATHY HERE

We read via the Toronto Star that a general apathy to the election exists in Southern Ontario and that the people have reached (in T.V.parlance) the point of over-exposure.

We are happy to report that in this district there is more interest than was evident in either the last general election or in the municipal elections. This is borne out by the large numbers who have attended political meetings in both Schreiber and Terrace Bay and, most important, it is a fact that whenever people congregate, the election is discussed.

District candidates are visiting our towns this time and it is heartening to see that interested citizens are turning out to hear them. Some of the same faces were seen at both Mr.Smith's meeting in Schreiber and Mr. Laskin's meeting in Terrace Bay. We are sure they will also be on hand to hear Mr. Fisher when he comes to Terrace Bay on April 3rd. This is good--the people are evaluating. Statistics show that out of some nine and a half million eligible voters, about two million did not exercise their franchise at the last general election. (Continued Page 11)
