Mrs. V. Thorpe was hostess Monday evening for a meeting of the Guiders Club. Presiding was Mrs. R. Downey who opened with the Guide Prayer and called on Mrs. B. Peterkin to read the minutes and correspondence.

Several Guiders showed interest in attending Guiders Training Camp in May and made the suggestion singing games and teaching games be included in the program. Guiders were informed the Schreiber Association have established their own Badge Committee. Subscriptions for the Guiders Magazines should be directed to Mrs. Evans-Smith, Secretary to the Local Association.

The members discussed possibility of testing Brownies on items such as cooking, for their Golden Hand, in large groups, and it was agreed to try this method. Sheets will be given the Brownies to present to their testers and they were to bring their own equipment. It was agreed that outdoor testing on fire for Golden Bar Brownies would be more beneficial.

Pamphlets were received on the Guide Camp at Doc Lake. Mrs. Baxter of Marathon replied to the Guiders enquiry, stating two weekend Guider Camps would not be the equivalent of a week at Polly Lake.

Mrs. J. Mikus, District Commissioner, read an article on Guiders Guiding, and discussing the leader with excitement and the restful Guider. On the benefits of outdoor scouting, the article mentioned types of hikes which make it a joy rather than a chore.

All Guiders were in favor of a Brownie Revel and it was recommended, for showing they are a part of a larger movement.

Final plans were made for the Brownie Banquet on Saturday, March 30th at 5:30 P.M., Mrs. F. Hanna will chair the banquet and has invited Mrs. F. Helmiak to be guest speaker.
