MEN'S CHORUS NEWS (Cont'd from Page 4)

This year, they hope to present something different to the public.

The concert will be staged, with background scenery and in costume. This will take considerable extra effort by all members of the chorus and it is hoped all practices will be attended.

The Men's Chorus recently received an invitation to perform at the New York Worlds' Fair in 1964 along with member groups in the Upper Mid-West Section. Unfortunately, it does not appear that we could muster sufficient members of our Group so have had tentatively to decline the invitation.

MINOR HOCKEY NEWS (by E. Kettle)

As another Minor Hockey season closes, I would like to say that this has been a most successful year for the Terrace Bay Minor Hockey Assoc. I think I am correct in saying that this is the first time that the North Shore has won all three championships, with Terrace Bay taking the Midget and Bantam titles.

At this time I would like to thank all the referees, minor officials for their fine cooperation over the past weekend at all the games, and anyone else who helped in anyway.
