March 28, 1963

WATER RATES RAISED BY COUNCIL

Reeve W.E. D'Arcy and the full council attended the regular meeting of the municipal council on March 19. After much thought it was agreed to raise the quarterly water rates to: Residential - \$7.00 effective April 1st, except and unless the Balance for the year 1963 be paid on or before April 30th of this year. Commercial rates will be raised accordingly - 40 per cent. The havoc created in this department was caused by water freeze-ups and could be classed as an Act of God--but unfortunately auditors cannot accept this explanation and the money must be found to meet the deficit.

The Reeve reported on a meeting in Toronto with Messers Patterson, Batchelor and Snell regarding the subway; and also assurance from George Wardrope, Minister of Mines, to do all that he could for the town in the matter.

Purchase of a Lincoln Transformer Machine TM 650-40 volts, 60 duty cycle, to include condenser and contractor for thawing purposes was authorized.

Councillors Harness and Guina recommended increase in some of town insurance coverages. These were adopted. Coverage for fire hall contents will also be checked. It was agreed to advertise, three months in advance, of due date of all town insurance policies.

Hydro commission informed council they are not agreeable to sharing in purchase cost of rock drill.

Councillor McGrath was authorized to buy a new fan for hall basement.

The hydro commission's proposal for integrated office with the town was tabled for further consideration.

Reeve D'Arcy and Councillor McGrath agreed to supply further details to W.L. Wardrope and Co. for town water survey.

Quetico Park suggestion that Schreiber become a member at \$25.00 was tabled.

A resident's claim that a storm door was broken by the snowplough was not allowed.

Thunder Bay Municipal League stated dates for the annual convention this year will be April 24-25-26.

A lengthy letter from Roy Bailey was read concerning freeze-ups and other water problems.

Lake Superior International Highway Association asks Schreiber's support as a member at cost of 1% per capita. This was held over for decision.

A letter was received from North Western Ontario Waterworks conference setting out information regarding water works problems, this will be studied individually by the council and later discussed.

Dawson Court, Port Arthur, advised applications from Schreiber will be considered individually, on basis of urgency and merit. Clerk Skinner will write thanking the board.

Water works accounts of \$779.48 and General accounts totalling \$7,200.50 were passed for payment. Council considered the light bill for the town hall too high when compared with other public buildings.

LOCAL STUDENT WINS SCHOLARSHIP

Stephen (Steve) Morrill, son of Mr. and Mrs. Ralph Morrill, has been awarded the J. Edgar McAllister Foundation Scholarship, valued at \$1200.00 a year for four years by the University of Toronto Faculty of Applied Science and Engineering. The conditions of the award are that the student shall complete grade 13 with academic requirements necessary to enter the Faculty of Science and Engineering (Toronto) and, once enrolled he must maintain pass standing throughout his course.

Students from 400 Ontario High Schools were eligible to try for this scholarship and it was due to principal O.B. Fasan's interest in Steve's marks which brought him to the attention of the Toronto Faculty.

FASHION SHOW BIG SUCCESS

A sell out crowd of 200 were welcomed to the Kinette Annual Fashion Show on March 22nd by President Jackie Turner.

Mrs. H. Weaver, commentator, did an excellent job describing the exhibits which ran the gamut from tot's togs, swim suits, play clothes, tailored and dressy cottons, the popular jacketed sheaths, suits, to all weather and dress coats, all with accessories and some lingerie items.

The models were Terry Weaver and Master Clark Gander, the misses Linda Mandel, Crystal Kusik, Cheryl Everitt, Mary Lou Elliott, Karen Lidkea and Mildred D'Arcy and Mesdames G. Drake, R. Macadam, E. McAdam, G. Cebrario, H. Nesbitt, A. Bourguignon, W.R. Burroughs, A.E. Rigelsford and P. Doig.

The door prizes - a hat, was won by Mrs. J. McIsaac and the jewellery by Jeannie McCuaig.

The clothing was provided by Walkers and the jewellery by People's Credit Jewellers.

The Kinettes were dressers for the occasion and the President thanked Flo's Beauty Parlor and Tony's Salon for hairstyling and Mrs. S. Brown the makeup.

SCHREIBER JUVENILES TAKE N'WESTERN TITLE

Schreiber Juveniles downed the Port Arthur North Stars seven to two in the first game of the two-game, total goal series for District Juvenile Championship on Friday night in the Terrace Bay Arena.

Referees Hayes and Desrosier dished out twenty penalties, split evenly between the Stars and Juveniles in keeping the game in check which flared hotly in the third period when Don Hope and Dominic Pelegrino mixed it up.

Schreiber controlled the play with three goals in the first and third period. Dennis Mahoney, high scorer, was outpointed by Dom. Pelegrino with one goal and three assists. Singles went to John Ross, Bill Scott, Cliff Wood and John MacDonald.

The Juveniles continued their overwhelming power on the Port Arthur North Stars to take second game of the Playoffs five to three. They won the series twelve to five and were presented the C.E. Chapple Trophy (back of page)
