BROWNIE BANQUET

Terrace Bay Brownies were hostesses Saturday evening for their Ninth Annual Mother and Daughter Banquet, held in the Terrace Bay Motor Hotel. Mistress of Ceremonies was Mrs. F. Hanna, Brown Owl, who welcomed those present, also admiring the many Centerpieces created by the Brownies and pertaining to their work. The Toast to the Queen was proposed by Lorraine Belliveau after the Brownies had sung Grace.

After dinner, Rachel St. Louis was called on to give the Toast to Lady Baden-Powell, and Patricia Kelty proposed the toast to the Mothers, responded to by Mrs. J. Kelty.

Mrs. J. Mikus, District Commissioner, before introducing the guest speaker, reminded the Mothers of the forthcoming Easter Bake Sale, the major fund-raising event of the year.

Mrs. F.A. Helmink, chose as her topic, "Tests of Brownies", explaining the serious training involved intended to bring out God-given qualities in the girls, that would remain with them all their lives. Basically, the first test of Brownies is for herself and

her Pack, progressing to the Golden Bar where they start thinking of others and service to the Community. In the Golden Hand tests, preparation for Guides is included. Mrs. Helmink urged Mothers to encourage the girls in their tests, but never to do it for them, as nothing was then accomplished.

Thanking Mrs. Helmink, Madame Commissioner then introduced members of the Local Association, the leaders of the three Brownie Packs, who put in a minimum of four hours every week on Brownie work, and thanked each of them.

A rousing Brownie sing-song was led by Mrs. Hanna before the evening ended with two films shown by Mrs. A. Ziegleman, one on Figure Skating by Barbara Ann Scott and one on "Willie the Skunk". Taps were sung by the Brownies to close the evening.

ART CLUB NEWS

At 7 o'clock on Thursday in the large meeting room there is to be a demonstration of painting, starting from an under painting, following through to the finished picture.

There will be a business meeting at 8:15 sharp. Plans are underway for a June workshop. The Schreiber Art Club lend their interest and support in this venture. With two clubs participating this should be a successful course.

Following the business meeting the painting session will resume. Why not bring along your paint box and try out this method of under painting?
