## CANADIENS JEAN GAUTHIER AT MINOR BANQUET

Guest speaker at Saturday's Annual Minor Hockey Banquet will be Montreal Canadiens' defense star Jean Gauthier. One of Montreal's rising young players, Jean this year was the kingpin of the defensive squad and, with young mates Laperriere and Harper, is expected to bring Canadiens back to hockey prominence in years to come.

All players, coaches and officials will have an opportunity to hear of Jean's experiences at the dinner and to speak to him afterwards.

**DON'T FORGET . . . . . THE BANQUET STARTS AT 5:30 P.M. SHARP, AT THE MOOSE HALL.**

## NO SUPPORT FOR MINOR BALL

With over 200 boys eager to play and with over 50 people contacted in hopes of forming a Minor Baseball Association, a total of three (3) people turned out to the organizational meeting. If this is indicative of the adult interest in Minor Baseball, it would appear that the whole matter could be dropped.

However, the kids still want to play, despite the lack of support, so leagues will be formed. Once again we will be greatly understaffed for coaches and umpires.

## BEWARE OF DOOR - TO - DOOR SALESMEN

The police office reminds local citizens that, before making any purchases, from itinerant canvassers or door - to - door salesmen, they should check with the Municipal Office or the Police. Latest reports indicate that magazines salesmen and dealers in pots and pans are making the rounds. Beware the "Mass Survey" approach which is only the prologue to another sale.

Township Council have enacted legislation to cover licensing home salesmen and penalties are provided for infractions of the by-law.

## COUNCIL QUOTES

Council met Monday evening in the Municipal Chambers, presided over by the Reeve, Mr. J.P. Heenan. Councillors Valiquette, Fraser and Wellings heard the minutes of the past meeting and correspondence, read by Secretary W.F. Strutt.

A Schreiber resident sought permission to erect motel-style cabins, service station and restaurant within the municipality and itemized plans to be completed over a six year period. Reeve Heenan informed Council it appeared a tentative agreement had been reached with the Department of Lands and Forests to purchase this Crown land. He would procure the plans from the applicant for study by Council, making it clearly understood there would be no services provided by the Municipality and that, under the existing By-Law, only a Service Station and not a Garage could be erected.

A payment of \$1150, as twenty-five percent of the 1962 Road Allowance was received from the Department of Highways. The Northwestern Ontario Development Association sought membership from the Town at 10¢ per capita tax.

Application for the position of Dog Catcher from James Sweet was accepted by Council.

A letter from the Attorney General notified Council of the findings of Coroner Dr. C.H. Reason of Marathon and jurors at the Inquest into the death of Henry Thomas Duriez. The death was termed accidental and completely exonerated the driver. Recommendations were made that the Chief of Police and Town Council take means to caution against sliding on roadways. Council deliberated on the recommendations, agreeing too many road signs caused complacency and decided to print cautioning letters to parents in the paper next winter, with the Chief of Police to follow up these cautions.

The Fire Report from Chief R.H. Hofland listed two fires during April--one caused by construction workers on an addition to a Motel and the second commended the three boys involved who, though causing the fire while camping, had remained at the scene to put it out. Regular fire practice had been held and Hydrants blown out. The Department expected Mr. L. Cottenden in town next month when presentation of their Award would be made. The Fire Chief listed replacements while he would be on vacation and included a request for further supplies. Councillor Fraser would investigate these requests. Councillor Wellings reported further on the Hydrants.

Public Library account of \$175.54, Hydro Account of \$11,171.04, Town Account of \$55,341.65 and Recreation account of \$5,513.80 were completely discussed before passing for payment. Reeve Heenan remarked they still had not received the combined financial statement from (Continued Page 10)
