CADET AWARDS PRESENTED AT ANNUAL INSPECTION

The Schreiber High School cadet Corps #2201 was inspected on May 6th by Capt. G.K. Dyer, accompanied by Staff Serg. C.J. Sauve, both of the Lakehead.

Corps officers are cadet Captain Jack Gordon, cadet Lieut. Bill Scott, cadet Sgt. Major Fred McColeman, cadet Platoon Sgt. John Stortini, with Paddy Duggan as drummer.

Instructors are Bernard White and William Woodrow (High School staff members) and Brian Birch.

Capt. Dyer commended the corps' drill display, general bearing and the interest revealed by the number both past and present who continue to take additional summer courses, as well as the number at this occasion, receiving prizes for special effort and achievements - Richard Chicoine, top cadet, a rifle; Bill Scott and Len Godin, fishing tackle; John Stortini and Phil Moorey, sleeping bags; Jody Davis and Lorne Duggan, knives and Brian Birch a lamp.

In addition to the marching exercises, there was an exhibition of physical training and dismantling and re-assembling a bren gun while blindfolded, the two cadets naming each piece as they worked. An oddity in this feature was the relationship of the boys - John Stortini being the uncle of Bill Scott.

The weather obeyed tradition for this event, being bitterly cold, for only once within memory have the audience been able to sit in sunshine and warmth to enjoy the annual spectacle.
