

**LIBRARY NEWS**

During the month of May, circulation figures reached another high, as follows:  
 Books for Children - 1,522,  
 Books for Adults - 920,  
 Records - 86.

Since our library service is still popular with our subscribers, the library will continue to be open Friday evenings, as well as the regular nights during the week, until the end of the school term at least.

**SWIMMING POOL NEWS**

With the arrival of warmer weather, interest is now being shown in the opening date of the new swimming pool. There are many small jobs left to be done on the pool and area, but it is expected that these will be cleared up within the next week and a half to two weeks. A representative of the swimming pool company is now in Terrace Bay finalizing preparation of the pool.

BARRING ANY UNFORESEEN DIFFICULTIES, IT IS HOPED THAT THE POOL WILL BE OPEN FOR OPERATION AT LEAST ON A PART TIME BASIS FOR THE WEEKEND OF JUNE 15th.

During the period of June and September, most of the pool hours will be devoted to free swimming time. For this reason, we will be operating with a volunteer lifeguard and supervision staff. Anyone interested in assisting with such supervision is asked to contact the Recreation Office. We will be setting up the volunteer lifeguard crew and will require as much assistance as is available.

Keep your eyes on future editions of the NEWS and on the bulletin boards at the schools and Recreation Centre for notice of the pool opening and a schedule for use.

**TEEN BOWLING**

ROLL-OFFS BEGIN THIS WEEKEND. After the final league bowling, top four positions in both the Girls' and Boys' leagues have been decided, and these four teams will compete in the roll-offs next Saturday to determine the league champions.

Competition in both leagues was tremendously close, both for team honors and for individual honours. Stachiw and Moore ended up tied in the Boys' league, with 68 1/2
