

WHY NOT?

THE OPPORTUNITY FOR A COLLEGE
DEGREE FOR EVERY BOY AND GIRL
IN OUR COMMUNITIES

THE LAKEHEAD COLLEGE MAKES THIS POSSIBLE!

- *STUDENTS WILL RESIDE CLOSER TO HOME.
- *TUITION IS LOWER AND OTHER EXPENSES LESS.
- *EXCELLENT FACULTY AND WIDE RANGE OF SUBJECTS.
- *FIRST DEGREE CLASS IN 1965. (Bachelor of Arts then Bachelor of Science)

At the present time the college is undergoing a vast expansion which will soon make it capable of looking after the university needs of our children RIGHT HERE IN NORTHWESTERN ONTARIO!

WHAT PART CAN WE PLAY? We can help to obtain larger government building grants by our own support in the form of voluntary contributions.

WHAT CAN WE GIVE?

- A - A major donation of 2 % of one's annual income spread over a period of 5 years.
- B - A single contribution this year without a pledge.
- C - Smaller contributions of \$5, \$10, or \$20 at this time.

ALL CONTRIBUTIONS ARE TAX DEDUCTIBLE

A Kiwanis Committee has been formed to head up the drive in our town. Let us make Terrace Bay an outstanding example of support in Northwestern Ontario in this great educational cause!
