SWIMMING POOL (Continued from Page 8) construction breakdowns at the pool and **NO** additional expense has been incurred. The delay in opening the pool has been caused by electrical problems and these are in the process of being corrected. Once these are overcome, the steam will be turned on and the pool opened, as soon as the water is warmed to a reasonable degree.

NOTICES WILL BE DISTRIBUTED THROUGH THE SCHOOLS AS SOON AS AN OPENING TIME IS SET.

Those using the pool will notice that the floor is slightly discoloured. Rather than wait to repaint, which would delay opening another week or more, we have decided to use the pool as is and repaint next spring. The stain will not cause any harm to bathers.

Tentative schedule for the pool from opening time until the end of June will be: - 1 p.m. to 7 p.m. - Open Swimming and 7 p.m. to 8 p.m. - 16 years and over.

This schedule will change to include morning swimming classes and adult evening classes during the summer.

Sunday bathing, up to the end of June, will be 1 p.m. to 6 p.m. Evening bathing will be held on Sundays during the summer.

REMEMBER.....Membership discs must be shown to the Cashier. Those not having their Red discs will be charged as non-members.

ALSOthere will be definite rules that must be followed in the pool and area and these will be strictly enforced, for the protection and comfort of all. Please co-operate by observing these rules and by helping to see that others observe them.
