ST. MARTIN'S PUPILS RECEIVE RODEO AWARDS

Students of St. Martin's Separate School assembled in their Parish Hall Thursday afternoon for some last words of advice on summer safety from their Principal, Mr. Ray Kenney and Chief Constable H. Billings.

Chief Billings spoke on the recent Bicycle Rodeo and the growing interest shown in it before he awarded the prizes won during it. Winners in the Up to Nine group were: - Danny Edmunds, 58 points, won a bicycle bag for second place. Paul Maleshewski with 56 points received bicycle flaps for fourth place. Michael Regis' 55 points netted him handgrips. Consolation prize went to Patrick Cruickshanks.

In the NINE TO TWELVE Group first place was won by Linda Woodruff who received a horn and light. Helen Marie Maleshewski took fourth place and received bicycle flaps. David Daniels received a consolation prize.

Twelve years and over, Mark Boudreau of the High-school accepted his second place prize of a bicycle bag at the Separate School. Third place was won by David Fedun who received a carrier. Terry Delaronde won bicycle flaps for his fourth place.

Chief Billings knew how anxious all the students were to get away on summer vacations but urged them to at all times observe safety rules. (Cont'd P.7)
