

GRADUATION EXERCISES (Continued)

gifts to Rev. Sister Lucille and Father Cano and Rev. Sister Alexander.

Father Cano adjured the students to realize that only as their future conduct bore evidence did they show their appreciation, and prove to others, the standard of education, both spiritual and academic, which they had received in Holy Angels' School. He also paid tribute to the board which, after years of effort, has secured a new modern and spacious high school for Schreiber, saying he hoped the students would take advantage to the fullest, the great advantage provided.

The Valedictory was given by Deborah Stewart, followed by the Class song and their Last Will and Testament.

The program closed with the choir singing three numbers, following which hours of dancing and a lunch were enjoyed by the large crowd present.
