TOWN TOPICSGOLF COMMITTEE MEET

A meeting of the Terrace Bay Golf Committee was held last Friday, July 19th. Present were Jack Thomas, Thor Olsen, Al Pattison, Dave Desrosier, Jack Phillips, Joe Adamo and Ross Mitchell.

Dave Desrosier was welcomed as a new committee member replacing Sax Lundberg who was compelled to resign because of other commitments. Dave has been quite active in the work parties, spending many hours during the day and evening. He will undoubtedly be a worthy asset to the committee.

Jack Thomas gave a progress report on the golf course. He mentioned that clay for green beds is being hauled to all greens before fairways are completed. This will eliminate having to drive heavy trucks over fairways when completed. Mentioned also was the completion of number one hole which will have fairway and green seeded in a couple of days. Number one is the last of the four holes scheduled for completion this summer.

Work is being continued on other fairways and it is hoped to have three more ready for spring seeding. Work parties will again be organized this fall in order to complete cutting and clearing the last fairway. The committee is looking forward to completion of the golf course next fall. There will be a considerable amount of work to be done clearing the heavy wooded edges of the fairways. This will reduce the loss of golf balls hit off the fairways.

The purchase of a gas powered 18" lawn mower was approved. The price of the equipment is \$404.00 plus tax. A financial statement was presented by Al Pattison showing Receipts to date totalling \$4,257.77, Disbursements totalled \$3,676.30. After the green mower purchase there

will be a credit balance of approximately \$160.00.

The committee does not foresee any further expenditures this year. The equipment already purchased includes fairway lawn mower land roller and the approved green mower. These essentially make up all the equipment necessary.

The committee also expressed the thought that green fees of some sort should be charged next year and perhaps continued until the new and permanent golf committee would take over at which time memberships would be solicited.

Also mentioned was the talk around town that membership fees will be high. This rumour is unfounded since fees of any kind have never been discussed. As repeatedly mentioned this golf course is being built for this town and district and everything will be done to make it feasible for everyone to participate in this great outdoor recreation.

ROLAND BEAULIEU BURIED IN MONTREAL

Roland Beaulieu, age thirty two, of Terrace Bay died suddenly July 6th in McKellar Hospital, Fort William.

Born in Lake Salmon, Quebec, the son of the late Mr. Jean Beaulieu and Mrs. Beaulieu, he was educated there and worked on various construction projects. He had been employed by Kimberly-Clark Pulp and Paper Co. Ltd., in their Services Department since 1956. He had been training at Lakehead Flying School the past two years and received his pilot's licence last year.

While in Fort William he stayed at the home of Mr. and Mrs. Rene Valliant, 300 Cameron Street.

He was a member of St. Martin's of Tours Roman Catholic Church, I.B. of Pulp Sulphate Union and the Loyal Order of Moose, all of Terrace Bay.

He is survived by his Mother, one brother and two sisters in Montreal. The body was forwarded to Montreal for services and interment.
