

Welcome home to Mrs. John Ferrier and daughter Betsy. Mrs. Ferrier and Betsy have been in Neenah, Wisconsin for the past five weeks while Betsy underwent surgery.

CAN SOMETHING BE DONE?

We know it has been suggested before BUT ... many visitors to Terrace Bay who arrive from the East turn off Highway 17 at the intersection across from Kenogami Road. They travel about a city block then are confronted with a three-way choice--go right (around Laurier) - straight ahead (behind the Shopping Plaza) or take the left road which leads to the front of the Plaza. From the number of visitors we have observed who end up asking for directions we'd say that many make the wrong choice. Many go straight down behind the Shopping Plaza, keep bearing left and find themselves back on the Highway before they know what's happened. Some signs and arrows might help the situation.
