A MORAL TIED TO A TAIL

The pup that gallops round and round and seeks
to catch his tail
Is not, in truth, so very wise,
But still he beats the man who lies
Around and whines and never tries
Because he fears to fail.

LONG TERM INVESTORThe Pulp
and Paper industry is spending money on
forests from which a return cannot be expected
for forty to eighty years hence. Nowhere else
are such long term private investments being
made to insure the future of Canada.

Thrift builds a bridge to carry us over the
flood of emergency.
