GRADE 11	2.00 P.M.
GRADE 12	2.00 P.M.
GRADE 13	2.00 P.M.

Our summer friends the humming birds are back at last. Each year we look forward to seeing these fragile little creatures as they gather nectar from a stand of delphinium outside of our dining room windows.

For some reason our friends didn't arrive this year until the blooms were almost over but last week and this as we sit at dinner, we see them hovering over the remaining flouts.

Mr. John Ferrier presents the Mill Manager's Award to Mrs. John Steen winner of the First Year Exhibitors Award.
