CHILDREN'S AID COMMITTEE

Alex Power presided for the October meeting of the Children's Aid committee with Miss Muriel Acheson, Case Worker of Marathon, and

representatives from Terrace Bay attending.

The public are again urged to donate clothing, for all ages, the greatest need for boy's wear. These may be taken to Mrs. D'Arcy McGuire, Schreiber, and Mrs. W. Anderson Terrace Bay.

With the coming cold weather the need for clothing is urgent. It was agreed to again head the community Christmas hamper project and a meeting of officers of various local organizations will be called for early November.

Mrs. McGuire, Treasurer, reported a donation from The North Shore Nurses' Association during the month of July.

Miss Acheson gave a resume of her activities during the summer.

The meeting was held in Mrs. McGuire's home and following the business routine lunch was served and the members discussed Case problems informally.
