At an Executive meeting held October 10th, it was announced that an official application had been made to the Ontario Ladies Curling Council to host the 1965 Ladies "Silver D" Curling Championships in Terrace Bay. It was pointed out that if favourable consideration is given to our request, that a great deal of work will be required by all members of the Club, however, it was felt that such an event would be a "boon" to curling in our area. The local Township Council has indicated their approval and support for such a worthwhile endeavour.

Mrs. Jane Coons has been appointed "Etiquette Chairman". This matter was fully discussed at the Annual Meeting and should be of help, particularly to new members joining the Club.
