A representative will be present from Council.

Permission was granted to the C.G.I.T. to hold their annual Hallowe'en Candy canvas and the Canadian Legion were to be allowed to sell Poppies as requested. They further invited a representative of Council to attend the Memorial Service at the Cenotaph at 2.00 P.M. Sunday, November 10th. Gratitude was expressed from the Horticultural Society for support of their Flower and Vegetable Show.

Recommendation was made by the Canada Gunnite Company to repaint the bottom surface of the swimming pool with the original paint. Discussion of the serviceability of two types of paints offered found Council agreeing to their offer on a temporary basis, payment dependent on results. Council also discussed at length the extent of work done by Smith, Carter and Searle on the Pool and Change House before passing their bill of \$1985.00 for payment.

September accounts were perused, discussed and passed for payment as follows: Public Library \$404.32, Hydro \$5,560.69, Township \$81,691.68, Recreation \$4,417.22. Council also discussed past sale of poles, wire and equipment to Canada Construction Company.

Permission was given to Hydro to supply power to a rural residence.

Councillor Wellings replied to Reeve Heenan's questions on lighting in the South Camp Area and a motion was passed to have the five available lights installed as suggested by Mr. D. Boudreau. Councillor Wellings further informed Council of the work underway on the Sewage Lagoon and the Reeve recommended he urge the contractor of the street repair work to complete the curbing and fill as soon as possible.
