CURLING NEWS (Cont'd from Page 2)
the first round for the Seagram's Trophy, the 2nd for the Canadian Oil, Club Championships Trophy, and the 3rd for Laskin's Trophy. Curling nights will be Tuesday's and Thursday's. The method of selecting rinks will be Skip's Choice.

Afternoon League
Although several applications had been received for afternoon curling, it was decided that a separate meeting of all ladies interested in this league would be called immediately following the deadline date for submitting applications, (Oct. 31st) and items such as type of play, method of selecting rinks, and days of curling would be decided by them.

It was stated that several ladies of the afternoon league were interested in curling only one afternoon a week rather than two. If this is the feeling of the majority, such an arrangement would be agreeable by the executive. However, before a meeting of the afternoon curlers could be held to decide these points, everyone interested in this league were requested to forward their applications to Mrs. Norma Crockford, or phone her at 3648.

General
It was expected that curling would commence around the 2nd week of November. All those who have not submitted application forms, are requested to do so immediately. Additional forms are available from Barbara Haughn at the Post Office or mail to Mrs. N. Crockford, not

later than Thursday, October 31st.
A social evening is planned to open the season with instructions for new curlers being given at that time.
Everyone was reminded that membership fees of \$14.00 must be paid prior to the first scheduled game of either league.
For a season of good curling, fun and social events, join the Terrace Bay Ladies Curling Club. It is one of the most active organizations during the winter season in Terrace Bay.
New curlers are welcome. If you are not as yet on a rink send in your application and every effort will be made to place you.

Kiwanis Derby winners L. to R. - Michael Gombola, Colleen Kenney, Ted Brown, Gordon Phillips receive their prizes from Kiwanian Jack Wellings.
