FITNESS CLASSES (Continued from Page 2)

Many who professed an interest were not in attendance. Since plans had been made for large classes, this seriously affects the programmes.

If you are genuinely interested, be out this week.

Sessions are every week at the High School, Thursday night:- Men - 4:30 to 6:30, Ladies - 8:00 to 9:30.

NEW OPPONENT FOR SUPERIORS

A new name was added to the North Shore Intermediate roster last week when team governors voted to accept Wawa into the schedule for at least one year. This is good news to local fans, as it increases the league to four teams and brings some new faces into

the picture. Quality of the new team is unknown, but if available monies are a criterion, Wawa should have a "powerhouse" as they seem to have plenty of the "green stuff". At any rate, the N.S.H.L. seems to be on the rebuild after being deserted by Red Rock and Nipigon. It's a tribute to team management and the N.S.H.L. executive that they haven't be-moaned the loss of those two western teams, but have tried to rebuild. With the possibility of a Manitowadge arena next year and the opening of the shorter route to Geraldton, it may soon be that Red Rock and Nipigon will be on the outside looking in.

League schedules will be out soon. Plan on supporting the Supes this winter.

MINOR BASEBALL PLAYERS

Some uniforms from the Little League Allstar team and the Pony League team have still not been returned.
