

COUNCIL QUOTES (Cont'd from Page 4)

rather than the School Boards. Reeve Heenan will inform all School Boards to authorize and pay all such house repair charges in the future.

The Reeve reported he had inspected the Highway right-of-way following a conversation with E. Trudeau and found it all to be in excellent repair at the present time. Recommendations were for earlier grass cutting and spraying of weeds in the spring.

MINOR HOCKEY NEWS

Occasionally there are boys who register late, or other problems which arise, needing clarification.

ONCE AGAIN, we note that these are the people to contact in the various divisions. Flyweight (5 to 7 years) - L. Legault, Atoms (7 & 8) - S. Zwaresh, Peewee House League (8 - 12 yrs.) S. Brend, Peewee Allstar (8 - 12) - M. Newell, Bantam House League (13 & 14) G. Calder, Bantam Allstar (13 & 14) - T. Pollard, Midget - (15 & 16) - D. Cowan, Juvenile (17 & 18) - G. Savoy.

At a meeting last week, Girls' Hockey was also taken under the wing of the Minor Hockey Assoc., and a chairman for this division will be appointed soon.

GIRLS' HOCKEY

Any girl OVER THE AGE OF 13 YEARS, who wishes to play in the Girls' House League Hockey, should register at the Rec. Office IMMEDIATELY. This league will be handed by the Minor Hockey Assoc., and teams will be chosen and a schedule set as soon as registrations are in.

REGISTER NOW !!

Don't forget Badminton every Tuesday and Wednesday from 8:00 - 10:00.

FITNESS CLASSES

Turnouts at Men's and Ladies' Fitness Classes for the first two weeks have been far below the numbers who registered. Why people enter their names and then fail to show up is a mystery, but this seems to be a problem

that many of the activity groups have. Fortunately, there are usually enough sincere people to keep things rolling.

This has been the case with the Fitness Classes as about twenty men and fifteen to twenty ladies have taken part in sessions to date, apparently enjoying the programme.

Classes continue every Thursday - Men - 4:30 to 6:00, Ladies - 8:00 to 9:30.
COME AND JOIN THE FUN !!

BROOMBALL

Some interest is again being shown in the formation of a Broomball League. Last year's executive has so far made no move to reorganize but a meeting will be called some time within the next week, regardless.

In the meantime, talk it up and line up your players. Teams will be received as individual entries and players may be picked up on a first - contact basis.

Get your team together now.

NOTE RE SAFETY RECORD WRITE-UP

In the safety record write-up in last week's News it was erroneously reported that Spruce Falls Power and Paper Company record of accident free man hours was 1,523. This should have read 1,523,000 - a worthy record indeed.
