L.A. TO COMMUNITY CHURCH (Cont'd from Page 8)
She mentioned anyone still requiring calendars, Hasti-notes, doll clothes, aprons or knitted items remaining from the Bazaar to contact her.

Mrs. R. Middaugh and Bill Kurylo requested to borrow housecoats and striped pyjamas for the Children's Christmas Concert December 13th. They would also like to have donated any old drapery material for shepherds or wise men costumes to be made up by the Sunday School teachers and kept for future use.

The President announced election of officers would take place at the meeting in January and the outgoing executive would serve lunch.

Mesdames V. Hopper, F. Sweet and H. Coe volunteered to form a Nominating Committee. Mrs. Lundberg closed with the Benediction.

The program opened with the reading of a Christmas story by Convenor Mrs. Harris who then introduced the guests of the evening, the Men's Chorus. Several favourite musical selections were sung by the Chorus and enjoyed by the members before all joined in singing Christmas carols, accompanied by Mrs. S. Hodgkiss at the piano. Members of the Chorus were thanked by Mrs. Harris and invited to remain for lunch. Mrs. J. Ferrier concluded with a most appropriate story and Mrs. J. Chapman was assisted by her committee in serving a delicious lunch on tables arranged with a Christmas motif.

The Terrace Bay Horticultural Society will hold their annual meeting in the small meeting room of the Recreation Centre, Thursday, Dec. 5th at 8:00 P.M. Members are invited to come out and hear the report of the Nominating Committee and elect a new slate of officers for 1964. Coffee and doughnuts will be served.

The annual Christmas party for the Catholic Women's League will be held in St. Martin's Parish Hall on Sunday, December 8th. Mrs. R. Belliveau and her committee will serve a turkey dinner at 7:00 P.M. Following the dinner St. Martin's Junior Choir will entertain the members and there will be a short business meeting, concluding with a social.

Any ladies who haven't contacted Mrs. Belliveau may still do so.
