WAWA HERE SAT. & SUN. (Cont'd from Page 10)

There are only eight home league games this winter, so be at them all.

If possible, the Saturday game will start at 1:30 in the afternoon. Definite time will be announced as soon as possible.

Sunday's game is 1:30 P.M.

SUPERIORS WALLOP SENIORS

Terrace Bay Superiors surprised the Red Rock Royals here last Friday with an explosive display, flattering the Senior League leaders 7 - 1. Royals pointed out that three of their regulars were missing, but from here it looked like Supes were full value for the win. The absent players might have made the game closer, but the locals were not to be denied. In fact, but for some heroics by Jorgenson in goal, the score would have been higher.

All of the Superiors played well, and it was the team effort that gave this "new edition" a better look. If they pull together all year as they did Friday (and they have been to date, on ice and in the dressing room), it will be a pleasure to watch.

Adamo potted two for Superior, with Cowan, Marv. Osmar, Lindquist, Mendelin and Woodruff adding singles. However, the victory was a team effort with everyone doing his share, including rookies MacDonal and Falzetta.

Don't miss the next home game. Wawa Ironmen open here with a doubleheader this weekend.

DAYS TILL CHRISTMAS!

COUNCIL QUOTES

The Board of Health met just prior to the regular meeting of Council Monday evening, when Dr. D.J.M. McCausland answered questions pertaining of health and sanitary inspections throughout the town. Restaurants, camp areas and garages with facilities receive regular inspections. Foodhandlers, barbers and hairdressers have been X-rayed. Dr. McCausland reported the schools in very good shape, with no serious outbreak of any communicable disease at present in town. In reply to questioning concerning the purchase of equipment for the schools to test hearing, he felt this to be worthy of their consideration.

With a full attendance of Councillors, Messrs. J. Wellings, W. Adamo, A. Valiquette and A. Fraser, Reeve J.P. Heenan called upon Clerk W. Hanley for the minutes of the previous meeting. These were accepted with a correction to read: Mr. John Warfield be appointed Town Constable as of November 27th, 1963 not "called for interview". A motion was passed establishing the salary of Mr. Warfield, commencing December 7th, 1963.

Correspondence included a letter from the Public School board recommending Mr. W. J. Farrell be appointed to the Highschool Board as representative of the Public School supporters. This recommendation was approved on a motion by Council.

Accounts for November were considered by Council before passing for payment. Public Library \$371.25. Councillor Wellings reported a request(Cont'd on Page 13)
