CHAMBER OF COMMERCE REPORT (Cont'd from Pg. 2)

The 'locally' campaign was reported by businessmen to be successful.

Membership Chairman L. Waghorn reported nineteen paid up members. Letters to new and prospective members would be mailed.

President Cornthwaite remarked it was unfortunate more business people of the community did not attend Chamber meetings since it was to their advantage. He reported that tourist and reception letters were still being received, and brought to the attention of members the work done by NODA and literature received.

Motions were passed to send membership dues for the Lake Superior Travel Council and the Canadian Chamber of Commerce.

A presentation on the development of tourist attractions in Terrace Bay was read and discussed with the following motions approved: "That the Terrace Bay Chamber of Commerce make representation to the Ontario Hydro that a flow of no less than 150 cfs. be allowed to pass the Main Dam of Aguasabon Generating Station for the purpose of beautification and maintenance of a tourist attraction on the Aguasonbon River" and "That the Terrace Bay Chamber of Commerce make representation to the Ontario Department of Highways for establishment of a paved scenic lookout on that portion of land adjacent to the body of water known as Terrace Bay and south of Highway No. 17."

Mr. S. Hodgkiss answered a question on whether a Fish Hatchery could be established in the Terrace Bay area. He gave his personal view and also what he considered the policy of

of the Department. He stated he would obtain pertinent information and present it at the next meeting.

Concluding the meeting a movie from the Department of Travel and Publicity was shown by Mr. Colborne. The next meeting was scheduled for January 16th, at the Old Curling Club Lounge of the Recreation Centre.

RECENT BRIDE HONORED

On December 30th, Mrs. Janet Jeanneret, nee Wills, was entertained at a supper in her honor at the Terrace Bay Motor Hotel, where she was presented with wedding gifts on behalf of the office girls of Kimberly-Clark Pulp and Paper Company Limited.

Mrs. Jeanneret was also honored at a Bridal Shower on Sunday evening when co-hostesses Mrs. J. Heenan and Mrs. P. Gombola entertained in the latter's home.

The guests assembled before the surprised bride arrived and was escorted to a chair decorated with rosettes and streamers. A Corsage of white carnations was pinned on her dress before she opened the many beautiful gifts.

Prizes were given for millinery creations and a quiz and the hostesses were assisted in serving a delicious lunch by Miss Jane Heenan, Miss Marcia Jeanneret and Miss Darlene Gombola.

Tourists -- people who travel thousands of miles to get a picture of themselves standing by the car.
