**NOTICE TO PARENTS**

Once again, with the coming of extremely cold weather, we find that some boys and girls are arriving at school between one half and three quarters of an hour before classes are scheduled to begin.

Regular supervision by the teachers does not come into effect until fifteen minutes before the beginning of classes. Prior to that they are occupied with class preparations. There is no alternative except for the children to remain outside until they can be admitted.

This appeal goes out to the parents to make certain that the children leave for school at a time that will enable them to arrive not before 8.50 in the morning or 1.20 in the afternoon. These times will also enable them to avail themselves of the protection of the Safety Patrol in crossing the Highway.

The co-operation of parents will again be very much appreciated.

**CARD OF THANKS** - I would sincerely like to thank the many friends who sent cards, flowers, gifts and who visited during my recent convalescence in the Port Arthur General Hospital. Your kindness will always be remembered.
