ST. MARTIN'S PARISH COUNCIL MEET

The Ontario Provincial Council of the Catholic Women's League are sponsoring a Province wide education plan on adoption and foster homes.

St. Martin's Parish Council held a meeting on Sunday, January 19th in their Parish Hall, highlights being explained, colored slides shown and the guest speaker was Miss Muriel Atcheson of the Port Arthur Children's Aid Society. Many questions were asked from the floor with Miss Atcheson giving thorough answers and explanations. The need for both foster and adoption homes is great. Any couple feeling they could give a happy home to these unfortunate families are asked to contact Miss Atcheson in Marathon or the Port Arthur office. All enquiries are held strictly confidential.

A delicious lunch was served by Mesdames D. Kenney, C. MacDonald, R. Cormier and J. Kenney.

COUNCIL QUOTES CLARIFICATION

Last week's Council Quotes included a paragraph dealing with the Snack Bar Concession in the Recreation Centre. Instead of reading "that the Recreation Committee had recommended that Kimberly-Clark be asked to take over the concession" it should have read "recommended that Kimberly-Clark provide advice and counsel!"
