CURLING CLUB NEWS (Continued from Page 8)
Towards this end, every club member and associate member will be contacted personally during the following week. Perhaps the innovation of having an evening spiel will encourage a greater turn-out than in previous years. Your executive would like to see every available member entered.

It has been noted that those on supervision duty for the High School Curling have been shirking their duty of late. It is understandable that a person can forget his day from 4:30 - 5:30 at the curling club. Check the list for your duty hour. It is on the bulletin board in the clubroom. The rules and duties are listed as well. An hour a year is not very much of your time, and that is all that is required in order to assure the sixteen High School rinks.

Lou Duquette and the fellows on his rink are travelling to Red Rock this week-end to represent our local club in the zone finals. The best wishes of all go with them. Quite a few will be driving to Red Rock this week-end to see the men in action.

DON'T FORGET! - YOUR DUES ARE DUE! - NOW!
