

IN MEMORIAM

In loving memory of a dear Father, David Thomas Evans, who passed away February 6th, 1963.

One year has passed since that sad day,
When one we loved was called away,
God took him home--it was His will,
Within our hearts he liveth still.

Sadly missed by daughters Violet, Rosemarie,
sons-in-law Jack and Viv, and Grandchildren.

In loving memory of a dear Husband, David Thomas Evans, who passed away February 6th, 1963.

I have lost my soul's companion,
A life linked with my own:
And day by day I miss him more
As I walk through life alone.
God knows how much I miss him,
Never shall his memory fade,
Loving thoughts shall ever wander
To the spot where he is laid.

So sadly missed by Wife, May.

In loving memory of a dear Father, David Thomas Evans, who passed away February 6th, 1963.

When days are dark and friends are few,
Dear Father, how we think of you.
Friends are friends if they are true
We lost our best friend when we lost you.
You could not say goodbye to us,
You could not clasp our hands;
But God has taken one we loved
To his realms so grand.

Sadly missed by his daughter Olive and his Son-in-law Roy.

TRADE TRAINEES HONORED

On Friday evening, the eleventh Trade Training Graduation ceremonies were held following a dinner at the Terrace Bay Motor Hotel. At this time, Kimberly-Clark Pulp and Paper Company Limited, honored the five graduating Tradesmen. Receiving their certificates were:- Bob Mendelin, electrician; George McKay, millwright; Al Teskey, machinist; Gerard Chicoine and Gerry Thrower, pipefitters.

Guest speaker on this occasion was Mr. W.M. Morgan, Vice-Principal of Hammorskjeld High School in Port Arthur. His topic, "Education for a Changing World", was both instructive and entertaining and his audience went home with several provoking thoughts on the subject.

Presentation of certificates to the graduates was made by John Ferrier, Manager of Kimberly Clark Pulp and Paper Co. Ltd. The graduates were also presented with Plant Maintenance manuals and handbooks relating to their respective trades by William Farrell, Plant Engineer, and Herman Roberts, Trades Supervisor.

This occasion marked the culmination of three years of both classroom and on-the-job training to the graduates in the Terrace Bay Mill. The Company Trades Training Program is recognized by the Ontario Dept. of Labour, whose Apprenticeship Branch forwarded appropriate Government certificates for the Graduating Tradesmen.
