SUPERIORS LEAD (Continued from Page 1)

as the strongest club in the league this year, and should win it all. However, a tendency to "tighten up" against Marathon could cause the Supes trouble. To be sure of a win, they must revert to a close-checking, fast-skating game. It will take a complete reversal of style to that played against Wawa, as the Mercs have too many "old pros" for a loose-checking game. We pick Terrace Bay to go all the way, but they'll have to tighten their belts against Marathon.

Let's all be sure to get out and give them our support.
