

**COUNCIL (Continued from Page 1)**

Councillor McGrath presented the Fire Department statement for January--4 practices during the month with average attendance of 12 (of 13) men and one fire call. Although the call was a false alarm it was given in good faith by a nearby resident who believed a blaze was detected in the new high school.

Mrs. Fournier asked for better lighting on Walker St. particularly now since lynx have been seen in the area.

After lengthy discussion it was agreed to accept the OPP Police contract and change the council police commission from a one to a three-man board. Reeve Harness appointed councillors N.J. Jolicœur and J.P. Guina to act with him. Meetings will be arranged with Corp. Duncan when problems will be discussed as they arise, in an effort to arrive at better understanding and co-operation.

Mr. Jolicœur was delegated to effect the exchange of the town half-ton panel truck for that of the Fire Dept.'s half-tone pickup--also to award the paint job involved and replace tires on the town ambulance.

A special meeting with the Hydro Commission was arranged for February 13. Councillors McGrath and Jolicœur reported meeting with CPR representatives to discuss screening and other proposed replacements and renovations at the town water intake.

Through the board of health, Dr. Cornell suggested the purchase of an audio meter for use on school children. Generally, it was felt that a local service club might be interested in adding this to their valued contributions to community welfare.

Mr. Jolicœur was delegated to secure prices for spraying the town against fly and mosquito pests since, in particularly bad seasons, these are a very real hazard to young children.
