

LOCAL GIRLS RATE HIGH ON MUSIC EXAMS

Congratulations are in order for three Terrace Bay girls who rated very well on recent written music examinations taken in Schreiber. Karin Moore and Lynn Simmer received first class honors in Grade two Theory and Margot Anderson received honors in Grade three Harmony.

Best wishes are extended to three local contestants in the Lakehead Musical Festival, Linda Hayes, Jane Colborne and Ronald Matuszak.

Dale Monteith drove down from Fort William to visit her sister and brother-in-law, Gladys and Bob Wallwin over the weekend. She was accompanied by her niece and nephew Sally and Bruce Murray, also of Fort William.

Denise Matuszak celebrated her eleventh birthday Tuesday with a party enjoyed by friends. Refreshments, games and a singsong followed.

Mr. Harry Ward visited last week with his daughter-in-law and son Gussie and Alan Ward and family in Fort William.

Margaret and Henry Duriez had her Mother, Mrs. L. Tait of Fort William, visiting them last week.

SAFETY AWARDS PRESENTED TO ONTARIO HYDRO'S TERRACE BAY AREA STAFF

Safety awards, marking a total of 10,217 days free of lost time injuries compiled by Ontario Hydro's Terrace Bay ROA staff, were presented to the Area Manager and Foremen of the crews at a dinner held at the Terrace Bay Motor Hotel on Friday, February 21st.

L. Crandlemire, Area Manager, who acted as Master of Ceremonies, congratulated the staff for their fine showing during the past year. He expressed his feeling that the evening's events were earned in every way by the staff through their co-operation and attention to safety procedures.

I.C. Ingimundson, Regional Manager, in congratulating the employees for their enviable record, stated that the statistics spoke for themselves. He went on to review the progress of the Northwestern Region in the past year and expressed optimism for the future, pointing out that safety plays an extremely important part in our progress. In presenting a safety achievement award to Mr. Crandlemire, he said that the Terrace Bay Area had compiled an excellent record and deserved much credit.

J.W. Looney, Operations Engineer, presented awards to J. Phillips, Chief Operator; L. Halonen, Line Maintenance Foreman and R. Pitkanen, Forestry Foreman. He congratulated the crews for their fine showing and pointed out that this is the 11th consecutive award for the operators, marking 5,804 days free of lost time injuries, the 5th for the line crew, marking 2,460 days and the 4th for the forestry crew, marking 1,953 days. This, he stated, compared favourably with the records compiled by Hydro groups anywhere in the province and, indeed, with any other industrial group.

In the photo at the top of this column, L.A. Halonen, Line Foreman, Schreiber, (left in picture), receives a Safety Bar from W. J. Looney, (standing right in photo).

MR. AND MRS. E. WOODS (Continued from Page 8)

Mrs. Marge Stephens entertained again at her home for their bowling team and husbands, following an evening of bowling, and Mrs. Edna Beddard entertained Sunday for the members of Phyl's afternoon 5-Pin Bowling Team when they too presented her with a gift.

Tuesday afternoon Mrs. Margaret Duriez held an afternoon tea for close neighbors and at this Phyl was presented with a farewell gift - a Blue Mountain vase and swan.
