**CURLING CLUB NEWS**

The Challenge Curling to be played this Saturday appears to be developing some interesting aspects. The inter-department competition at the mill is quite keen. Everyone seems to be getting into the spirit of the game except administration. Perhaps they could arrange a game with the local businessmen who are also conspicuous by their absence.

It would also be interesting to see who is the best skip in the family. There is nothing barring a team from the regular womens' league from challenging her husband's rink to a friendly game.

The lounge is open from 9 a.m. onwards. Remember the evening social. Come down and watch the competition. Stay and socialize with your friends

**TERRACE BAY PEE-WEES' WIN NORTH SHORE TITLE**

Last week-end saw our local Pee-Wee All-stars travel to Marathon and win the North Shore Pee-Wee Championship, by defeating, Marathon, White River and Red Rock.

In their first game Friday evening the local lads had to go all out to defeat Marathon. After regulation time the score was tied 2 - 2 and in sudden death overtime the locals notched the winning goal to win the game 3 - 2.

The next game was played Saturday morning and again in sudden death overtime Terrace Bay defeated White River by a like score of 3 - 2.

The boys went to ice again on Saturday afternoon, with the opposition Red Rock, in a do or die effort for the title. After the final bell had rang the happiest bunch of boys swarmed the ice to receive the trophy that they worked so hard for, as they defeated Red Rock 2 - 1 in a regulation game.

To Coach Mike Newell and his boys our congratulations.

The Minor Hockey Team Pictures, on display on the Rec. Centre Bulletin Board, must be ordered within the next week. If you want a photo of your boy's team, order Now.

Response to this service has been very poor this year, and unless interest increases, photos will probably not be taken next year.
