SUPERIORS WIN (Continued from Page 1)
in Marathon by a close 6 to 5 verdict. This is the first time that the championship has been won by a visiting team on Marathon ice and the local boys were full value for the win.

Both teams were badly short-handed through injuries and sickness, and Terrace Bay especially felt the loss of Dave Desrosiers and Dave Whalen. Determined efforts by the balance of the club pulled the SUPES through but not before Marathon made a last ditch effort to even the score. With only a few minutes remaining and leading 6 - 3, Terrace Bay looked to be sure winners. However, Marathon counted two quick goals to make the score 6 - 5, and when Bob Adamo was penalized for icing the puck, matters reached a climax. Top goal tending by Brian Webb kept Marathon off the score sheet and the SUPES were home winners.

Coach Brassard lauded the boys for their determined effort, and was especially proud that the championship had been won right on Marathon ice. In addition, he was particularly thankful for the fans who

stuck with the team through the past few controversial weeks, feeling sure that the team has redeemed itself to its loyal supporters.

Terrace Bay now meets the winners of the Dryden-Warroad series, which is tied at two games each. Final game in that series will be played on Saturday, March 14th. The winners will travel to Terrace Bay for the first two games in the best four out of seven Thunder Bay finals. Dates for that series are March 18th and 19th in Terrace Bay. In the event that the first two games are split, a third game will also be played in Terrace Bay on Friday, March 20th. This series then moves to Dryden or Warroad for completion.

Despite a rash of injuries and setbacks, the SUPES have been able to win the North Shore Championship for the third time. They require our support if they are to continue on the trail to Thunder Bay championship. LET'S GIVE THEM GOOD SUPPORT DURING THE COMING PLAYOFFS.
