

FIGURE SKATING CLUB PRESENT APRIL IN PARIS

To the theme "April in Paris" the Terrace Bay Figure Skating Club introduced their 9th Annual Ice Frolics Friday and Saturday evenings in the Arena to a very appreciative audience. Under the direction of Club Professional, Mrs. Barbara Hutcheon, the choreography provided many variations of the French Theme on ice.

The Senior girls opened with "So This is Paris" and featured Elizabeth Hayes, Shirley Phillips, Cheryl Duncan, Marie Delaronde, Mona D'Amours, Linda Hayes, Marcia Hamilton, Molly Harris, Cathy Jo Cotton and Pamela Cumming. Terry Delaronde was the "Pride of Paris" in the first snappy solo of the evening.

M.C., Mr. Jim Cumming introduced the delightful performers beginning with "Parasols on Parade" with Kathy Fawcett, Phyllis Turner, Lois Galvin, Claudie Stevens, Linda Helmink, Judy and Jane Chopty, Paulette Duquette, Alice and Anita Stuart, Jean Tychoniak, Kerry Waghorn, Darlene Suo, Marilyn Kujbida, Jackie Turner and Leslie Cotton and featured Rosemary Pattison. A pleasant duet by Shirley Phillips and Linda Hayes was followed by little Leslie Ward, Linda Dejonghe, Michelle Newell, Sally Turner and Norma Phillips, the youngest skater in the Club, was featured.

Mademoiselle De Paris was interpreted by Molly Harris in her solo before twins Jane and Judy Chopty were escorted by gallants Victor Demecha and Robt. D'Amours for a Gay Paree Quartette. A smart precision number followed with Linda Woodruff, Gail Simmer, Nancy Spillane, Jeanne Stevens, Carol Fawcett, Mary McLeod, Judy Ollen-Bittle, Cathy Thorpe, Shirley Winters, Cecile Stuart, Pat Kelty, Jackie Turner, Cathy West, Ann Boudreau, Patty Thorsteinson and Joan Belliveau.

Marcia Hamilton and Marie Delaronde were smooth in their duet and a loudly applauded appearance of the "Beatles" found Greg Chesley, Joe Papineau, Gordon Phillips and Gary Suo in the role of the famous quartette.

Miss Jennifer Wilkin again dazzled her audience with a polished performance to the Nutcracker Suite. Jennifer, holder of both Canadian and American Gold Medals, has recently returned from the Canadian Figure Skating Championships. She has been Northern Ontario Sr. Ladies Champion three times and Western Canada Sr. Ladies Champion.

The Junior Finale brought out all the younger skaters, led by Terry Delaronde, to take their well-deserved bow before intermission.

The Can Can found the Senior Girls returning in the famous French Dance - Jane Boudreau joining the group this time. Pair Precision with Pamela and Jamie Cumming in flowing chiffon combined some quick dance steps with their routine.

Silver Medalist Cheryl Duncan's solo was a sparkling display as the Paris Belle. Another popular French Dance, the "Apache" was done with props of street lamps on darkened ice. Intermediate skaters took the part of (girls) Jane Persson, Laura Hartman, Heather Boyd and Brooke Rapke with (boys) Jane Boudreau, Colleen Kenney, Wendy Evans-Smith
