CARD OF THANKS - My sincere thanks to all friends who sent gifts, cards and flowers, or visited me during my recent illness.

Mrs. Susan Tao *S. Paul*

LADIES BONSPIEL (Continued from page 2) cards will be issued. On Friday and Saturday the club room will be open only to club members and associate members of both the ladies and men's clubs, together with their wives, husbands or escorts, as well as visiting curlers participating in the 'spiel and their husbands or escorts.

Saturday evening, April 4th, a bang-up social with music by the Twiliters will be held at the club. All members of the ladies and men's clubs and their escorts are welcome and a good time is assured so plan now to attend.

No minors will be allowed in the club rooms on Friday or Saturday from 12:00 noon to midnite.

The club rooms will be open to the general public on Sunday, April 5th, for the semi-final and final games in all three events.

SEE YOU AT THE 'SPIEL -- ALL MEMBERS ARE WELCOME !!

Born to, Mr. and Mrs. M. Glad of Schreiber, a daughter, on March 27th.

Born to, Mr. and Mrs. P. Busso of Schreiber, a son, on March 28th.

GOLF NEWS

The many questions and enquiries about the new golf course, the proposed golf school and membership in the club will be answered at the golf meeting this Friday night at 8:00 o'clock in the Moose Hall.

A large crowd is expected and it should be a very interesting and entertaining affair. Championship movies will be shown and the wind-up of the meeting will be a social with the bar open until 11:30 P.M.

The present golf committee will be there and a report will be made by each of its members. This group will be able to answer any questions.

The winner of the name contest will be declared at this meeting.

Ken McLeod expects to have a display of golf equipment and we are sure that a lot of people will be able to get much information from him.

A great deal of effort has been put into this meeting and a large attendance is anticipated. SO -- MAKE YOUR PLANS TO ATTEND. EVERYBODY IS WELCOME.

Arsenic is obtained as a by-product of the smelting of ores, particularly those of copper, lead and iron.
