In regard to Joseph Speziale's application water installation for motel, Mr. McGrath said this had been arranged.

Water bills of \$79.04 and general accounts totaling \$2,226.14 were passed for payment.

The clerk stated he had sent six tender forms to various firms and the rate of 10 cents a ton had been set for use of the town scales.

Six chairs were ordered for council chamber, as selected by P. J. Guina and Mrs. McCuaig. The others of the council demurred at the cost but Mr. Guina and Mrs. McCuaig felt that in buying good quality furnishings money was saved in the long run.
