CHAMBER OF COMMERCE MEETING (Cont'd from 2)
Lake Road by the removal of bridges owned by Ontario Paper will be up for discussion. The Marathon Chamber are appealing to area Chambers to help them in their project to keep this prime fishing and sports area open.

Plan now to attend this meeting and see your Chamber of Commerce in action. Civic achievements, attained through organized effort, make your town a better place in which to live and to make a living.

LEGION HI-LITES - Terrace Bay Branch #223
Royal Canadian Legion

On April 11th local delegates from the Legion and delegates from the Ladies Auxiliary, with their husbands and wives, attended their respective annual meetings in Geraldton and Longlac. At this meeting Branch #223 (Terrace Bay) received a commendation award, in the form of a scroll, for their increase in membership in 1963. Delegates attending were Pres., Geo. Daniels, Vice-Pres., Howard Solly, Sec., Lorne Vezina, from Br. 223 and Mesdames Fisher and Solly from the Ladies Auxiliary, Br. 223.

The completed agenda and outcome of this meeting will be aired at our next meeting, May 6th, at the Legion Hall. As all discussions at these annual affairs are important to every member of our Branch and

likewise all branches, it is advisable that an effort be made by members to attend local meetings and enter into discussion involving motions and topics, etc., that have been or will be discussed. Your support, by your attendance at these meetings, is vital to the smooth operation of branch activities. **MAKE AN EFFORT TO ATTEND.**

On a recent evening, our local Branch, in co-operation with a well known Brewery Representative, hosted numerous members and guests, along with ex-service personnel, in the showing of film highlights of the "Clay-Liston World Heavyweight Boxing Championships." The night was not in our favour but nevertheless a group of some 50 adults attended. We would like to mention at this time that numerous comments were heard in regard to the Legion Hall--all favorable, for it is quite remarkable that such an 'old beat-up building' as that could be transformed into such a presentable structure (both inside and out). Those members who helped restore the structure to its present standards can be justly proud of their efforts. We in the Legion (all members) are looking forward to the near future when the general public will be afforded the opportunity to inspect our quarters at our official dedication ceremonies.

We are canvassing all ex-service personnel (both sexes) who at the present time do (Continued P.5)
