During dinner Mrs. Ball was presented with a gift and, in turn, had the pleasure of presenting one to Mrs. Norman McCuaig from the local Auxiliary, in lieu of her past-president's pin--Mrs. McCuaig already possessing one.

Mrs. Olson, speaking for White River, said that, although it had been expedient for their auxiliary to join another Command, they would always feel particular friendship for Schreiber, from many shared occasions, and she hoped these would continue.

Mrs. Morehouse, bringing greetings from Marathon, said such meetings were always a pleasure to attend from the fellowship enjoyed.

Mrs. Solly, speaking for Terrace Bay, said the bond between Schreiber and Terrace Bay would always be close since many of their members had first joined the Legion Auxiliary in Schreiber. She also hoped that Schreiber would attend a coming event of their branch.

In her address Mrs. Ball said she was no stranger to Schreiber but deeply appreciated her warm welcome in her first official visit. She described a recent visit to Deer Lodge hospital and brought official words of the Athletic Scholarship being sponsored by Legion auxiliaries, saying it is not confined to children of Veterans. Marks will naturally be considered in the final decision but the ruling factor is that the student is committed to take training which gives teacher's training in physical education.

The seventeen auxiliaries in this district, with 1244 members, realized \$93,000. in one year from their various projects to advance the work carried on by the Legion.

After her address Mrs. Ball cut the large cake, made and frosted by Mrs. Rene Bedard for this occasion.

A brief business meeting was conducted and during the evening a social was enjoyed to which members brought husbands and escorts. Music for dancing was supplied by Fred McColeman.
