- SUMMER HOURS -

In order that we may make the necessary repairs to our cable Systems, we are instituting the following hours for service during the months of June, July and August.

SERVICE CALLS WILL BE TAKEN FROM 8 A.M. to 6 P.M. MONDAY THROUGH FRIDAY AND 8 A.M. TO 12 NOON ON SATURDAYS.

NO CALLS WILL BE TAKEN BETWEEN 12 NOON SATURDAY AND MONDAY 8 A.M.

Mr. D.Lohr will be in charge of Service during these hours, with Mr. K. Lerner and myself making the needed changes in the Cable Systems.

Beginning with our May 30th billing we will bill for two months at a time. This will be a decided saving to the subscriber as well as to ourselves. Since we have not had any change of rate since beginning service in 1955, we feel that we must in some way curtail some of the costs of billing and thus keep our rate at the same level.

We will also be billing for service from now on at the Customer's home and service bill must be signed for at time of completion.

DUE TO THE "BIG SING" WE WILL BE CLOSED FRIDAY, MAY 29TH, NOON, TO MONDAY A.M., MAY 31st.
