## ANNUAL CUBOREE HELD IN TERRACE BAY

Pic River District held its third annual Cuboree Saturday afternoon with the Terrace Bay group, the host for this year. District Commissioner Roland Wills welcomed the 171 boys and their leaders who came from Manitouwadge, Marathon and Schreiber to partake in the afternoon's events, held in the Arena due to inclement weather.

Besides a busy afternoon of fun, games and lunch, the Wolf Cubs, in their Packs, were passed through eight testing stations, taking individual tests on the three stages of Cub work - Tenderpad, First Star and Second Star. When the points were tallied, the brand new Trophy was presented by D.C. Wills to the First Manitouwadge Cub Pack with a Terrace Bay Pack just decimal points behind. All Packs of the District did extremely well in these tests, each making above seventy five percent.

A pleasant addition to the event was pop provided for all the boys by Dorans Ltd. who have just taken over the local Pepsi-Cola Bottling Co. Coffee was served to the adults by the Group Committee.

Cub Master Paul Maleshewski of Terrace Bay was assisted in the Cuboree by D.C. Wills, the Terrace Bay Scout Troop and many of the local men. The afternoon closed to the resounding echoes of the Grand Howl.
