FASTBALL NEWS

House League Fastball continues every Monday and Wednesday at the ball diamond, and recent turnouts to games have been much more encouraging. KENMACS team of juniors still remains undefeated, closely followed by COSTA'S. MOOSE and OSMARS, after experiencing some difficulty with player turnouts, have now come up with set line-ups and should provide serious competition in future games.

An allstar team has formed to play two important series next week. On Tuesday, June 30th, the allstars will meet "Showboat" Buckners's HARLEM COMEDY KINGS in a game at the ball diamond at 6 p.m. The following day, on July 1st, the allstars travel to White River for a tournament against teams from White River, Schreiber centres. Personnel for the allstar team were chosen by the League executive and the team managers, and the line-up is as follows: M. Coutanche, F. McLeod, G. Schultz, K. Thomas, R. Schock, M. Osmar, M. Osmar, R. Hansen, D. Fedun, D. Hersey, C. Wood, Jr., D. Schock, D. Whalen, K. Ward.

SWIM CLASS REGISTRATIONS

Registration forms for summer swimming classes have been distributed through the schools and are to be returned TO THE INSTRUCTOR AT THE POOL ON JUNE 27, 28 and 29th. Swimming classes will commence according to the schedule on Tuesday, June 30th.

These forms will be accepted only at the swimming pool on the days noted.

Days and times of classes are listed on the registration forms, and these should be kept in a handy place so that swimmers can be aware

of the schedule. Swimmers may attend only the classes for which they are registered and should make every attempt to attend all sessions. Classes will be held regardless of weather, as some dry land instruction and water safety will take place on bad weather days.

Forms are available at the Recreation Office for people who have not yet received theirs.

SATURDAY FILM SHOW

This Saturday marks the final film show of the season, with the feature "LITTLE LEAGUE MOOCHIE" the attraction. This is the story of a typical Little League ball player and should be of great interest to parents and children. It is a Walt Disney production and one that the kids can't afford to miss. Doors open at 6:15 - show commences at 6:45.

VOLUNTEER LIFEGUARDS

Volunteer lifeguards are still required to assist with supervision of the swimming pool during the month of June. Those assisting must be 18 years of age or hold a Royal Life Bronze Medallion Award.

DON'T FORGET ROLLER SKATING EVERY THURSDAY NIGHT FROM 7 to 10 p.m. REGULAR SUNDAY NIGHT ROLLER SKATING, FROM 8 to 10 p.m., WILL COMMENCE ON SUNDAY, JULY 5th.

HERE AND THERE

Mr. and Mrs. B. Shirriff and sons John and Bill, of Appleton, Wisconsin, visited friends in Terrace Bay during the past week, and renewed many old acquaintances.
