### GOLF NEWS

We are pleased to announce the appointment of Mr. Julie Stokoluk as our new club pro, whose duties are to commence immediately. We are very fortunate in obtaining Julie who comes from a family of well known golf Pros. He has a brother in Red Rock and one at Municipal Golf Course in Fort William. Julie, bringing to us eighteen years of experience.

Mr. Stokoluk will be in charge of our local club, and will also be available for golfing instructions, evenings, Saturday and Sunday. This should prove of interest to those who have just started the game this year, also to a lot of us who are still "duffers" after playing for a good number of years. Lets make him welcome in our community by giving him our fullest co-operations. No doubt he will enforce some rules we have had a tendency to get lax on; such as replacing divots etc, however when one stops to think this is all for our own benefit. We should work together for one of the finest golf courses in the North West. Now that we have seven fairways in operation, it should relieve some of the pressure from the first four which have had a terrific amount of traffic since we first opened the course. We have also installed a starting trough which everyone is urged to use when there are one or more parties waiting to tee off. The telephone is now installed in the club house and hydro will soon be in. One has only to look around to see the tremendous progress that has been made this past two months. Lets keep it up.

Yours for better golfing, your committee.

### PARTIES HELD FOR DEPARTING FAMILY

Eighteen years in Terrace Bay were terminated when Betty and Bill Cavanaugh with their family left last week to make their home in Port Arthur where Bill will continue his association with Sun Life Insurance Company.

Before leaving Betty and Bill were guests of honor at a surprise party at the home of Glenna and Jim MacDonald when their friends presented them with a bridge table and chairs and their good wishes. The men on Bill's Shift at the Steam Plant presented him with a wrist-watch as they bid him farewell.

Betty was entertained at a bridge by her sister-in-law, Mary Chesley, and her Bridge Club entertained them at the home of Yolande and High Boudreau. On this occasion they were presented with silverware. Betty, who had served in various capacities on the executive since its formation, was presented with a Daily Missal by the Catholic Women's League.

Cathy Cavanaugh was entertained at a party at the home of Betsy Ferrier, receiving from her friends a train case and their farewell wishes. The Catholic Girls Club had a party for Betty Lou, giving her a sweater with their good wishes.

Dr. and Mrs. Bob Lee, Heather and Michael are the guests of Mr. and Mrs. Al Chisholm while staying in Terrace Bay for the coming three weeks.
