Serving the District

August 20, 1964

COUNCIL QUOTES

Councillors Thompson and Cavanaugh were present last week when Reeve J.P. Heenan presided at the regular meeting of the Town Council in the Municipal Offices. Minutes by the Secretary-Clerk, W.F. Strutt were read and approved.

The resignation of Paul Milkovich as Police Constable, effective 12 noon, July 29, 1964 was read to Council.

A bid of \$750 per month for the collection of garbage in Terrace Bay was submitted by a Marathon contractor. This was in excess of the present service and, as there was no suggestion of discontinuation of this service, the bid was not considered.

Following a request by the Recreation Committee, consideration had been given to the fact that the Recreation Centre is a non-profit organization and Kimberly-Clark Corporation thereby offered a flat rate of Five Thousand Dollars a year or \$467. per month for the supplying of steam heat to the Centre.

In the July report from the Fire Department, Chief Hofland detailed the fire July 24 at 462 Princess Avenue when the house had been struck by lightning. He reported the arrival of the new fire hose and requested supplies for the schools for Fire Prevention Week. The Police Department's report from Constable Warfield listed all investigations and charges laid. The theft of an automobile from a local resident was reported and returned within a few days by the O.P.P. O.P.P.

The new dog catcher had been contacted and advised all possible assistance would be given by the Department. No serious difficulties had been encountered during the busy Derby weekend, despite the fact the force then consisted of one Constable.

Accounts for the month of July were carefully perused and discussed before passing for payment the following: Public Library \$300.40, Hydro \$5,242. Township \$17,196.01, Snack Bar \$5,882.79 and Recreation \$6,093.69. Councillor Cavanaugh was informed upon request that both Mr. Ward and Mr. Gamble of the Recreation staff were bonded. They questioned the standing and establishment of the Snack bar again considering the previously requested dishwasher. This will be approved when the financial report so indicates.

A special meeting of Council was scheduled for Monday, August 17 at 4:30 to consider the applications for Police Constable, also the Tenders received for renovations to the Municipal Offices.

It was reported that Superior Avenue was pretty bad and would require curbing. Rainstorms were washing away banks and might undermine the roads, the hills being the most critical at present.

AMMUNITION AGAIN FOUND AT DUMP

Not long ago a warning regarding disposing of unused and unwanted bullets and shells was printed in the News.

Last week a dozen or so 12 gauge shot gun shells and others were turned over to local police when found by employees at the garbage dump.

The police Department roped off the dump and erected a "Danger" sign. This was necessary in case ammunition was still undetected.

Police point out that, with the number of visitors and district resident who go down to look for bears in the area at nights, blasts from exploding ammunition could cause serious (Cont'd on Page 4)

SORRY...
we have to interrupt
your electrical service

We don't want to keep you in the dark and we regret the inconvenience, but... so that we can work safely on the electricity supply system in your area it will be necessary to interrupt service on:

THURSDAY, AUGUST 20th -
from 12 o'clock midnight to
5.45 A.M. FRIDAY MORNING
AUGUST 21st.

in

TERRACE BAY
SCHREIBER
ROSSPORT
GURNEY
JACKFISH

This work will help us to maintain a high standard of service in supplying the expanding electrical needs of our customers. Please bear with us.
