### CERAMICS CLUB ACTIVITIES BEGIN

The somewhat dormant Ceramic Club is ready to ride again! Fall activities will begin next week with a general meeting of the Club to be held on Wednesday, Sept. 9th at 7.30 P.M. in the Work Shop in the old Curling Club Lounge. All those planning to take the course as well as members should plan to attend.

We have had a display of some pottery in the Art Centre which has brought a lot of comments from those passing through here--most encouraging too.

Forms will be out soon for registration for children's and Teenager's classes. There is a kiln ready for our use and we're ready for a busy season of "Clay Slinging."

A long time ago a great teacher pointed out that that which comes out of the mouth is a great deal more important than what goes in.

### SUNDAY SCHOOL SESSIONS BEGIN
